

# DECATHLON WEDZE

## PRODUCT RECALL

Launch date: 9th of October 2023

If you own the backpack **WEDZE AIRBAG 30**, you are concerned by the below information

Article code: 4144380

### We ask you to stop using this product

As part of our quality processes, we have noticed that the backpack, WEDZE AIRBAG 30, sold before the 16th of August 2023, may present a wrong folding of the airbag. Some airbags may be rolled instead of being folded. The airbag rolling may increase the inflation time. This is the reason why we decided to launch a voluntary product recall.

The customer relation centre will help you to bring back your backpack into conformity.

Please, contact the customer relation centre at:
