

HAMAX recalls: BABY SEAT HAMAX BUDDY

Product name and article codes: **BABY SEAT HAMAX BUDDY** | 4091054 / 8591602
EAN code: 70297755203498

Sales period affected: from 28/12/2020 to 06/08/2026

Why is this product dangerous?

It has been identified that the fabric safety label on the harness strap may not be securely attached. There is a risk that a child could detach the label, creating a potential **choking hazard**.

What should I do?

Please stop using this child seat until the label has been removed.

1. Check the shoulder harness strap on your seat.
2. If the textile label shown in the image is present, completely cut it off the harness strap.
3. Once the label has been removed, the choking hazard is eliminated and the seat is safe to continue using.
4. If your seat does not have this label, it is not affected.

If you prefer not to remove the label yourself, please bring your seat to the workshop counter at any Decathlon store, where our team will do it for you free of charge.

Contact

Our Customer Relations Centre is available to address any of your inquiries by WhatsApp at **+44 (0)748 306 8343** (Monday to Friday, 9 a.m. to 8 p.m., Saturday and Sunday, 9 a.m. to 6 p.m.) or by email at customer.enquiries@decathlon.com.

We appreciate your understanding and apologise for any inconvenience caused.

Spread the word: Inform your family members and friends about this recall!

Please share information regarding this recall, particularly if you are aware that the affected product has been gifted, loaned, or resold to another person.
