PRODUCT RECALL FOR SAFETY REASONS

Published: 23/10/2026

DECATHLON recalls some Electric Assistance Kayak SUP and its battery

Product names: Electric Assistance Kayak SUP and Electric assist battery
Sales period affected: from From 01/11/2022 to 12/10/2026

Model code: 8771733

Model code: 8853862

Why is this product dangerous?

Water infiltration inside the battery can cause severe overheating, leading to a risk of spontaneous fire or even explosion.

What should I do?

Stop using Electric Assistance Kayak SUP and its battery and return it to your nearest DECATHLON store.
If you notice any abnormality (overheating, swelling), isolate the product (outdoors or submerged in water) and contact customer service.

Remedies available to consumers

The product returned will be refunded at its purchase value.
