THE PRODUCTS CONCERNED HAVE BEEN SOLD FROM : **24/01/2021-30/09/2021**

For safety concern, it is not recommended to use the model mentioned

Decathlon is committed to strictly controlling product quality and ensuring consumer safety. In the internal product testing, it has been found that in rare cases, the scooter direction tube string has potential quality risks.

To ensure the safety of children, we have decided to recall this product.

If you have purchased this product recently, please bring the product to the service desk of the Decathlon store, and we will handle the product recall and refund for you.

If you have any questions, please contact the store service desk or customer service center, thank you.
